Description

Steps:

1. Open page <https://crackedcalc.herokuapp.com/>
2. Type correct values in the fields: "Value1", "Value2" (1,2)
3. Click button "Add"
4. See the result in the field "Solution".

Actual result:An error message appears in the "Solution" field ("error")

Expected result:after entering the correct values and clicking the "Add" button, the correct result should appear in the "solution" field (3)

Severity:Critical
